GLACIER RESTAURANT GROUP LAUNCHES A RESTAURANT INDUSTRY SCHOLARSHIP ENDOWMENT

GRG Awards Annual Scholarship to Employees and Children of Employees

Whitefish, Mont. -- Feb. 22, 2016 – Glacier Restaurant Group (GRG) has announced that it is starting a scholarship program administered by the Whitefish Community Foundation. Using their own funds as well as a portion of those donated by guests through the Round It Up America program, GRG – R.I.S.E. (Restaurant Industry Scholarship Endowment) will award one scholarship each year to current, eligible employees, and one scholarship each year to a child or legal dependent of a current employee.

This scholarship exists to assist earnest employees with their next step in higher education. Whether the eligible recipient’s journey continues their advancement in the restaurant industry or leads them to a new career path—a portion of the donations will contribute to their betterment.

Eligible employees may apply on the Whitefish Community Foundation website beginning February 15, 2016. Application to the program is due by midnight on April 23, 2016. Awards will be announced in July.

About Glacier Restaurant Group

Glacier Restaurant Group is a young and growing holding company operating five restaurant concepts differing in design, ambiance and menus, but alike in that they offer an outstanding place for food, drinks and fun with family and friends. With its headquarters in Whitefish, Mont., GRG employs more than 2,000 passionate and energetic people committed to providing an excellent guest experience.
