GLACIER RESTAURANT GROUP OPENS

MACKENZIE RIVER PIZZA GRILL & PUB IN COLUMBUS, OHIO

WHITEFISH, Mont., October 18, 2016 -- Glacier Restaurant Group (GRG) continues to expand with its Montana-inspired MacKenzie River Pizza Grill & Pub opening a new location in Columbus, Ohio.

“We are excited about welcoming guests to our MacKenzie River concept and are confident our Montana roots will help us deliver a memorable experience anchored by our spectacular food, service and mountain ambience,” said Brad Ridgeway, GRG President.

The new location is located at 1515 Polaris Parkway, Columbus, Ohio 43240. It is a strategic move for GRG as this was a former Max & Erma’s location; GRG announced the acquisition of the Max & Erma’s restaurant chain in January, a casual dining concept operating in 10 states primarily in the Midwest with its headquarters in Columbus.

“Guests will love our gourmet pizzas, juicy burgers, fish tacos and other offerings — made with scratch recipes and fresh ingredients. We are especially excited to offer our exclusive Driftboat Amber Ale™, brewed by Great Northern Brewing Company out of Whitefish, Montana. It’s a unique dining experience for the entire family,” said Tedd Hill, general manager of MacKenzie River in Columbus, Ohio.

The MacKenzie River concept offers an innovative menu with mouth-watering food choices, creative specialty cocktails and a diverse beer selection. From parents with kids, to senior citizens and everyone in between, guests can always find something to crave. The casual rustic

atmosphere is achieved with refurbished and hand-crafted wine barrel and felled lumber furnishings, antique outdoor sportsman finishes and photographs that depict the heart and soul of the Rocky Mountains.
